# Warranty Extensions

**Ready for the future with Fronius warranty extensions? An ideal long-term protection for your photovoltaic system.**

Reliability, durability and sustainability are of great importance for owners of photovoltaic systems - just like for Fronius. Therefore, we offer you the opportunity to extend the warranty of your Fronius products to 15 or 20 years for an additional charge. You benefit from the unique high-quality service of our Fronius Support and our Fronius Service Partners.

**For maximum flexibility Fronius offers two warranty models:**

- The Fronius warranty extension is a low-cost way of covering your risk. In case of warranty, Fronius will cover material costs.
- With the Fronius warranty extension plus package, your photovoltaic system is protected by a comprehensive safety package. In case of warranty, Fronius will cover transport, service and material costs.

\*) free registration of Fronius products possible (depending on the country warranty models can vary)
